### DATA PROTECTION ACT

The OEA will hold your personal data on its computer database. This information may be accessed, retrieved and used by the OEA and its associates for normal administrative purposes. If you are based outside the European Economic Area (the 'EEA'), information about you may be transferred outside the EEA. The OEA may also periodically send you information on membership, training courses, events, conferences and publications in which you may be interested. If you do not wish to receive such information, please tick this box

The OEA would also like to share your personal information with carefully selected third parties in order to provide you with information on other events and benefits that may be of interest to you. Your data may be managed by a third party in the capacity of a list processor only and the data owner will at all times be the OEA. If you are happy for your details to be used in this way, please tick this box
